## AMX COMPANY PROFILE

Established in 1982 the vision of AMX has remained the same – to develop innovative technologies that simplify the world.

AMX hardware and software solutions simplify the way people interact with technology. With the increasing number of technologies and operating platforms at work and home, AMX solves the complexity of managing this technology with reliable, consistent and scalable systems. Our award-winning products span control and automation, system-wide switching and audio/video signal distribution, digital signage and technology management. They are implemented worldwide in conference rooms, homes, classrooms, network operation / command centres, hotels, entertainment venues, broadcast facilities, among others.

AMX has true global reach with locations in 86 countries, including England, USA, Australia, Canada and Dubai. Outside the United States, AMX has a network of more than 1,200 dealers and 24 exclusive distributors.

Attitude is everything at AMX. Over the years, they have carefully cultivated a culture that encourages mutual respect, personal and professional growth, hard work - and a lot of fun. They have won numerous awards including "Top 25 Best Medium Companies to Work for in America".

As part of their ongoing growth in Europe, Omega Resource Group were tasked with sourcing a number of key appointments to join their offices in London & Belgium. Using our extensive network of contacts and Executive Search techniques we successfully appointed Alex Wood their new European Business Development Director he said: *"Stuart Smith is an excellent Search Consultant and helped me secure the position of European Business Development Director at AMX. Throughout the process he showed commitment, desire and resourcefulness to assist me in securing the opportunity. He has a very refreshing approach which contrasts with the traditional perception of recruitment consultants and was genuinely interested in me and the selection of the best opportunity. I would have absolutely no hesitation in recommending Stuart to anyone searching for their next career and hope we stay in touch as he is a great guy"*
